### MEET THE TEAM

### RHIANNON FULIL - BAR EXPERT

A resident of New Orleans since 2000, Rhiannon bartended for many years and developed a passion for cocktail history and the spirits industry.

She was selected for the inaugural Cocktail Apprentice Program at Tales of the Cocktail in 2008, and later received a scholarship to attend B.A.R., the comprehensive training program, Beverage Alcohol Resource, LLC in NYC. She completed a thesis at the University of New Orleans on historic beverage trends of 20th century New Orleans, and joined the opening team at the Sazerac House in May 2019.

Rhiannon is excited to apply her experience as a bartender, manager, events coordinator, historical researcher, and New Orleans enthusiast to create raving fans for the Sazerac House and its featured brands.

### MEET THE TEAM

### MATT RAY - BAR EXPERT

Before joining the Sazerac House in New Orleans, Matt was the beverage director at the Ace Hotel. He previously worked for Cure and several of their bars, including Cane & Table, Bellocq, and Cafe Henri. Matt taught English and Social Studies for three years at a local high school before realizing he was drinking too much and went back to bartending.

Matt Ray is originally from Huntsville, Alabama, home of Space Camp. He performs improv with his friends. He likes reading books on air for a local radio station for the blind, reading comics in his free time, and traveling whenever he has far too much time. Matt likes dogs, Disney movies, and whiskey.

### MEET THE TEAM

### DAVID BOCK - HOUSE DISTILLER

David Bock has combined his love of whiskey and operational skills to lead the Sazerac House distillery team, producing Sazerac Rye Whiskey and Peychaud's Bitters.

In his role as House Distiller, David leads the distillery operations, working as part of a team that creates two integral parts of the signature cocktail of New Orleans, distilling and bottling Sazerac Rye Whiskey, and the production of Peychaud's Bitters. David is also a key component to the hospitality shown at the Sazerac House, helping to explain the distillation process to visitors from across the world.
